

Program

Colorectal Cancer Screening Committee (CRC SC): EWG Sessions – Copenhagen

Friday, October 13, 2023 – 8.00am - 11.00am (CEST)

The Scandic Kodbyen
Meeting rooms: Ballroom 1&2
Skelbækgade 3A, 1717 København V, Denmark

Groups:

FIT for Screening
PCCRC & Quality in Colonoscopy
Inequities in CRC Screening
Surveillance after Colorectal Neoplasia
Polyp detection, characterization, resection, and AI

Goals of the meeting: To provide updates on recent advances in CRC screening
To seek advice and comments on future initiatives
To reach consensus on controversial areas

Session 1: FIT for Screening

Chairs: Manon Spaander (Netherlands); Sally Benton (UK)

Time: 8.00 am – 8.55 am

- 8:00 am Welcome & Introduction from the Chairs
- 8:05 am An evaluation of personalized benefits and harms of colorectal cancer screening in order to facilitate informed decision making on participation in the CRC screening program. *Francine van Wifferen (Netherlands)*
- 8:12 am Discussion
- 8:15 am Update on the Evolving Screening Program in England *Robert Logan (UK)*
- 8:22 am Discussion
- 8:25 am Risk prediction algorithms for CRC screening *Christina Therkildsen (Denmark)*
- 8:32 am Discussion
- 8:35 am Declining trend in the participation rate in the FIT-based colorectal cancer screening program in the Netherlands - what about other screening programs? *Esther Toes-Zoutendijk (Netherlands)*
- 8:42 am Discussion
- 8:45 am FIT can be used in CRC screening to eliminate current disadvantages for women. *Callum Fraser (UK)*
- 8:52 am Discussion
- 8:55 am Closing remarks
- 9:00 am **Meeting adjourn**

Session 2a: PCCRC & Quality in Colonoscopy

Chairs: Matt Rutter (UK)

Time: 9.00 am – 9.55 am

- 9.00 am Welcome by conveners
- 9.05 am Are ADRs at screening associated with CRC risk and death at 17 years? *Kate Wooldrage (UK)*
- 9.25 am Discussion
- 9.30 am Colonoscopy and proximal colon cancer prevention: epidemiological data challenging our current understanding *Ulrike Haug (Germany)*
- 9.50 am Discussion
- 9.55 am **Meeting adjourns**

Session 2b: Inequities in CRC Screening

Chairs: Robert Kerrison (UK), Christian von Wagner (UK), Andrew Prentice (UK)

Time: 9.00 am – 9.55 am

- 09:00 am Welcome by convener
- 09:05 am Who should be targeted first: background risk of non-participants *Hilliene van de Schootbrugge - Vandermeer (Netherlands)*
- 09:15 am Discussion
- 09:20 am How to increase participation in colorectal cancer screening – including among vulnerable citizens *Mette Bach Larsen (Denmark)*
- 09:30 am Discussion
- 09:35 am London Bowel Cancer Screening Social Marketing Campaign - results of a regional intervention to reduce inequalities *Josephine Ruwende (England)*
- 09:50 am Discussion
- 09:55 am **Meeting adjourns**

Session 3a: Surveillance After Colorectal Neoplasia

Chairs: Rodrigo Jover (Spain)

Time: 10.00 am – 10.55 am

- 10:00 am Welcome by convener
- 10:05 am Use of molecular markers as predictors of metachronous neoplasia *Rodrigo Jover (Spain)*
- 10:17 am FIT for surveillance *Joaquin Cubiella (Spain)*
- 10:29 am Who deserves surveillance? Selection of patients at the highest risk after polyp removal *Emma Robbins (UK)*
- 10:41 am Discussion
- 10:55 am **Meeting adjourns**

Session 3b: Artificial Intelligence and Polyp Management

Chairs: Daniel von Renteln (Canada) & Prandeep Bhandari (UK)

Time: 10.00 am – 10.55 am

- 10:00 am Welcome by conveners
- 10:05 am AI in colonoscopy - what have we achieved, what will come next? *Prandeep Bhandari (UK)*
- 10:17 am** Polyp sizing and pathology for diminutive polyps - Do we still need pathology? Daniel von Renteln (Canada)
- 10:29 am How to identify and treat T1 CRC *Leon Moons (Netherlands)*
- 10:41 am Discussion
- 10:55 am **Meeting adjourns**

We would like to thank the following partners for their support:
