

Program

WEO Video Capsule Endoscopy (VCE) Course

Endoscopy in small bowel disorders

Date: November 24, 2019
Venue: Centro de Eventos do Ceará, Fortaleza
Room: Sala 09

In collaboration with

Course Director: Admar Borges
Maria das Gracas Pimenta Sanna
Adriana Vaz Safatle-Ribeiro

Objectives

To help participants (especially young professionals) familiarize with VCE and enteroscopy knowledge addressing clinical indications, principles of technique and development in equipment which would aim to facilitate learning and exchange of knowledge with international experts.

Sunday, November 24, 2019
