

# WEO Emerging Stars Frequently asked questions

## Course 2021/2022

|   |  |
|---|--|
| Is the application open to everyone?                      | Yes, the application is open to all. However, selected candidates will be expected to join WEO as individual members.  |
| Where and when does the first module take place?          | The first module takes place in April / May of 2021, venue will be decided on later in 2020  |
| When do the next modules take place?                      | Current planning is for a total of three modules, the second module to take place October/November of 2021, the third module to take place in June/July of 2022. You will receive more information in due course.            |
| To what extent are travel expenses covered by WEO?        | WEO reimburses return travel from your hometown to the course location. This includes economy airfare and bus or public transportation.  |
| Can I travel to the course location by car?               | Yes, please check with the WEO secretariat. In this case 25 cents per kilometre are reimbursed, provided that this does not exceed cost for air travel.  |
| How will I be reimbursed?                                 | The money for your travel expenses will be transferred to directly to your bank account immediately after the course and upon presentation of receipts. Alternatively, you may ask for reimbursement via cheque.             |
| What about visa?  | Please check with the respective embassy if a visa is required. WEO can assist by providing invite letters should this be needed. Tourist visa will be sufficient in most cases.   |
| Are meals included?                                       | Breakfast, refreshments and lunch will be provided.  |
| Am I expected to attend all three modules?                | Yes, this is compulsory. The course consists of 18 days of instructions, these are broken into 3 modules of six days per module. Lectures are synchronized and you will not benefit if you merely attend one or two modules. |
| What if I am unable to attend the second or third module? | We understand that situations may prevent attendance. A solution will be found considering the circumstances.  |
